“

*Honestly, we cannot tell you how glad we are we found Oxleaze Barn. The venue and every single person we have come across since the start of the process has been an utter joy to deal with. No ask or question was ever too much, and the flexibility provided was just brilliant. The time you devote to your couples and service you offer from the Friday right through to Sunday makes couples feel truly special, which is something a lot of venues really don't provide anymore. We couldn't stop saying how it made us feel like celebrities for the day!! Really, we could probably go on forever complimenting you and the whole process (and we probably will!) but we just wanted to say we have absolutely no doubt we will be recommending Oxleaze to everyone and that you played the most fundamental part in making it the most incredible weekend of our lives so far.*
